

ANCIENT AND MIEVEAL HISTORY

Course

The course has two stages:

- Antiquity: discover methodological issues and problems of the history of Antiquity and its cultural environments stretching in the Ancient Near East and around the Mediterranean area.
- Middle Ages: principal hallmarks of Middle Ages and its main events, giving a fuller comprehension of historical phenomena characterizing this period as an era of transition between Antiquity and Early Modern Period.

Content

- I module: Methodological issues
- II module: Pre-classic civilizations
- III module: The Greek world in archaic and classical times
- IV module: Ancient Rome
- V Module: the Middle Ages
