

LAW

Course

The class of Law aims to explain the basic elements of the Italian Republic. Initially, the course addresses the issue of law sources (national, supranational, regional and local sources) and constitutional organization (parliament, government, judiciary, etc.). The second part of the course deals with the theme of constitutional justice and the system of rights, duties and constitutional freedoms.

Didactics

In line with the educational mission of the FYP project, the language used is Italian and in particular “Legal Italian”. Each lecture is organized by “keywords” and will be carried out with a dynamic, participative, interactive teaching method. Teaching material will be provided at the end of each teaching unit.
